FOREWORD

Raymond Wong
Awards Director
Asian Television Awards

A warm welcome to the 31st Asian Television Awards. 2026 marks another milestone of decades of work in recognizing the best of Asian content and talents.

We are exhilarated that the Asian Television Awards is once again back to Ho Chi Minh City, Viet Nam! Special thanks to Top Group for undertaking the Co-Production.

As the Awards enters its fourth decade of recognizing the best in Asian content and talents, we are pleased to welcome additional platform partners – Taiwan's Central News Agency, Japan's Mudia and regional platform JOOX.

2026 also saw our inaugural attempt at recognizing music livestream as one of the emerging mainstream mode of video content. We expect to expand on this over the next few years and recognize more new talents.

I would like to take the opportunity to thank our industry professionals for their commitment and time to review and nominate more than 400 programs from out of more than a thousand entries. The Asian Television Awards would not have been possible without the paramount support of all the broadcasters, production companies, government agencies, MCN operators, digital platforms talent agencies and our judges.

Finally, my heartiest congratulations to all the nominees and award winners. Your work is what makes our Asian industry shine.
